

Patient Notifications for GeneSight® at Home Orders

When placing an order using Ship Kit to Patient, your patients will receive notifications via text message and email to:

- **Inform** them of kit status throughout the process
- **Encourage** them to return the kit quickly to ensure timely processing
- **Guide** them to schedule a free FedEx® pickup

In myGeneSight.com, provide the patient's contact information, then select 'Yes' to have a kit shipped to the patient's address
